

Please Note:

ONLY parties having a recorded interest in the property at the time of sale, or the homeowners may apply for excess funds. Funds MUST be paid out to lienholders in order of priority, then to the homeowner ONLY.

If you are the homeowner or lienholder, please contact us for more information. There is no need for a homeowner claiming surplus to use an outside entity or hire an attorney to claim their surplus. To protect our homeowners, we will not assist third parties that are attempting to claim surplus on behalf of someone that is already legally entitled to it.

The Treasurer's Office holds the over surplus list. It can be viewed on the county's homepage at www.co.platte.mo.us

Thank you,
